Heroes of the Faith

Edited by Roland Ashby

55 men and women whose lives have proclaimed Christ and inspired the faith of others

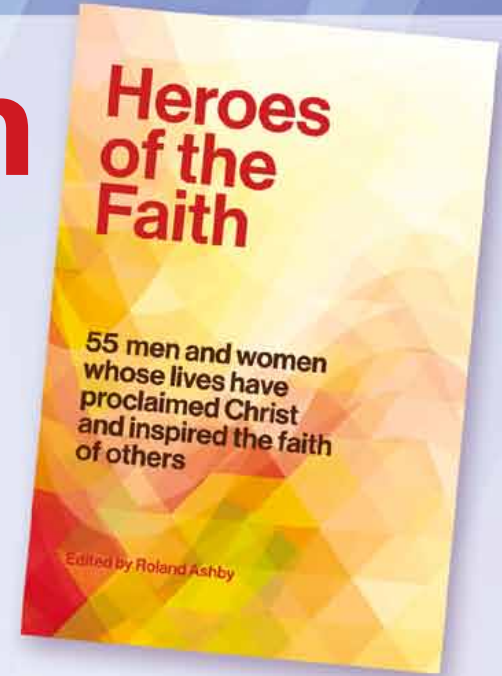

“Through the lives of the remarkable men and women insightfully portrayed here, the reader is given a glimpse of the love of Christ and its power to transform. Each profile is a profound testimony to the belief that ‘God is, and God is love’, in the words of one of the book’s subjects, John Main.”

*Dr Philip Freier,
Anglican Archbishop of Melbourne
and Primate of Australia*

Heroes of the Faith is an inspiring celebration of people – based on the popular **TMA** series – whose lives have been profoundly transformed by their Christian faith, and whose lives and works have proclaimed Christ.

The short but in-depth profiles, including some of Christianity’s giants – women and men who have had a profound and lasting impact on the world – give us glimpses into the transforming love of Christ and the enduring truth of his life and message.

The writers also give their personal insights into how their Christian heroes have helped to shape their own faith and lives.
